

Wakefield Railway Modellers Society presents the
63rd Annual Model Railway Show

Saturday 17th & Sunday 18 October 2026
Saturday 10am–5pm | Sunday 10am–4:30pm.

**On behalf of the Society may I welcome
you to the 2026 Show.**

**I do hope you find a layout
of interest.**

In support of the exhibits there are societies demonstrators and traders who are ready to answer your questions.

Make use of their expertise and skills. There is an excellent trade Support ranging from kits and bits, models in all scales tools, paints and books ready to supply your modelling needs whether beginner or a seasoned modeller.

Before starting your journey around the exhibition hall, there are just one or two housekeeping and safety notes:

- No food or drink can be brought into the exhibition hall
- There is no planned fire practice and on hearing a constant alarm please make your way out of the building via the entrance or fire exits. There are club members wearing colour down bands who will assist in making sure everyone leaves the hall.. the assembly point is on the grass area to the left of the hall as you leave.
- There is no smoking allowed, including e-cigarettes and vape devices anywhere on site
- Toilets including a mixed sex toilets are available. Ask a club member for directions if required.

The society has its own club rooms on garden Street in Wakefield and welcome prospective members to visit on Monday evenings. We will be hosting a special at Home evening on Monday 24th October from 7:30 pm where the club rooms will be open for visitors to view the facilities and other layouts under construction.

Catering facilities can be found in the Queen Elizabeth Hall. This is to the right when leaving the exhibition hall.

Wheelchair access is a further 10 m along the road why not take a break from the show over and drink or a snack?

St John's Ambulance will be on duty throughout the weekend. Anyone requiring their assistance should make any club member aware, visit the information stand or the ticket desk in the front foyer.

**I do hope you enjoy
your visit.**

Chris Burnage | Chair of WRMS

A plan of the exhibition hall showing the layouts traders societies and demonstrators is overleaf. For a full description of information please visit www.wakefieldrms.org.
